

How to use the drive through blood taking service

Our drive through blood testing service will be moving to Building 183 (Former Blood Service and current Covid vaccination site), Longley Lane, Sheffield, S5 7JN from Tuesday 25th October 2022.

The current service running at the Sheffield Parkway will end on Friday 21st October and will re-open at our new location on Tuesday 25th. The service will be closed at both locations on Saturday 22nd to Monday 24th.

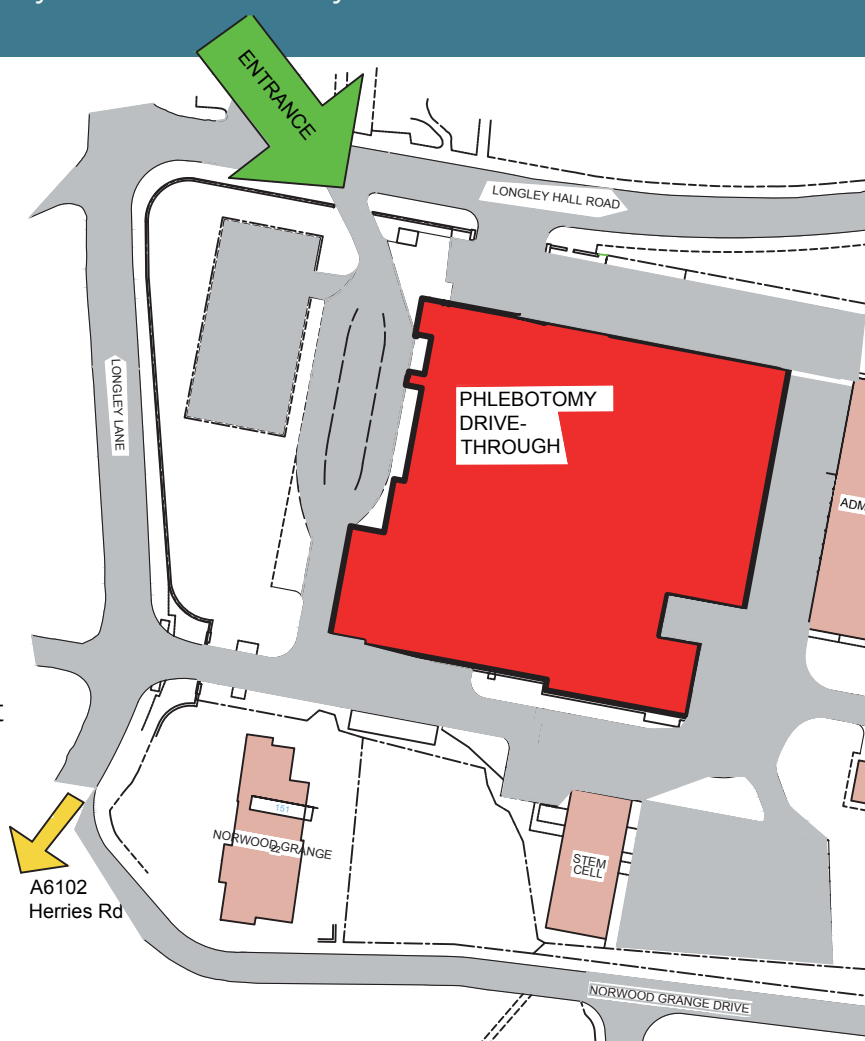

How to use the drive through blood taking service

Once the service has moved to Longley Lane, usual opening times will resume and the service will be open from 7:30am to 5:15pm, Monday to Friday (excluding Bank Holidays) and 8am to 1pm on Saturday.

For the safety of patients and staff please remain in your vehicle at all times and do not open your door unless instructed to do so.

When you attend please ensure your doctor has placed an order on the system or you have a relevant request form. If you do have it please bring your hospital number with you and have this ready for the phlebotomist as this will make it easier to find you on the computer system.

Enter the blood testing service from Longley Hall Road. A steward will call you forward when it is your turn and ask you to wind down your car window.
