

Our new
GP registrar
this year
will be

Dr Mohamed Youssef

He will be joining us
in September
and will be with the surgery for a year
After which he will be a
fully qualified GP

Congratulations

to
Dr Peter Colledge
who has passed his
GP exam and is now
working in Primary Care
Sheffield

JOIN YOUR PPG!

To support the Surgery and
its patients the PPG always
needs new members

**Newsletter
Autumn
2024**

The surgery is beginning to order the

Flu Vaccine

for eligible patients

The vaccination sessions will begin in

October

The surgery will contact you by text or telephone to invite you to make an appointment

Please contact the surgery if you are unsure of your eligibility

Please support your surgery by having your jabs with us!

Respiratory Syncytial Virus [RSV]

is a common cause of coughs and colds.

It usually gets better by itself, but it can be serious for some babies and older adults, causing significant breathing difficulties

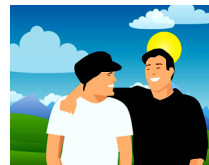

There is now a vaccine for RSV

and the surgery will begin offering it to

- pregnant women who are at least 28 weeks pregnant
- adults of 75 to 79 years

from **September**

Watch out for a text or telephone call from the surgery and book your appointment

Are you a carer?

A carer is someone who provides practical and/or emotional support to an adult or child with an illness, disability, frailty, mental health difficulties or an addiction.

Let the surgery know if you are a carer so we can document this on your medical records.

As a carer you are entitled to free 'flu vaccinations and we can provide you with support, advice and information.

Carer Support Groups take place across Sheffield on a regular basis. They are a great place to meet others going through similar experiences.

For up to date information please visit:
